
IF A PERSON LIKES challenges or if one desires tc add a little zest to the routine of urban living, a walk to the PruneYard along Campbell Avenue might do just that.

Provided, of course, that the person doesn't mind living dangerously or being overmatched.

For a brief span, a pedestrian on his way to the PruneYard either must compete with the auto traffic on Campbell Avenue or plow through the still unplanted parkway between the street and the parking lot.

Although we do not claim to be a hiking enthusiast and we seldom walk any place if we can ride, we personally researched the particular situation, after we had heard complaints from a number of would-be walkers who were justifiably wary of traipsing down the street unprotected, so to speak, from four-wheel vehicles on the same thoroughfare.

We found in our research that there are sidewalks on both sides of Campbell Avenue from Poplar through the underpass until the edge of the PruneYard parking lot is reached.

But there the sidewalk on the north side abruptly ceases and the walker must step down from the curb and continue his way on the street in the gutter.

We noted also that apparently there is no provision for a stepping-stone pathway or a sidewalk across the planting strip between the street and the parking lot.

Indications seemed to be that the strip eventually will be planted. But that will not help the pedestrian to get across the space.

-0-

TO FURTHER COMPLICATE matters, the pedestrian cross-walk across Campbell Avenue at Union Avenue, ends at the curb on the PruneYard side.

A person crossing Campbell Avenue at that point either must climb the curb and go through the planting strip into the PruneYard parking lot or walk in the gutter on Campbell Avenue, to the main entrance.

Somehow it all seems pretty incomplete to us.

Of course, it may be that very little foot-traffic is expected along Campbell Avenue into the PruneYard.

On the other hand, based on the tremendous business the PruneYard is doing, with parking spaces at a premium, we would think that pedestrian travel should be encouraged to that popular attraction.

But bucking auto traffic on Campbell Avenue can be mighty discouraging.

And pedestrian cross-walks that go nowhere also seem ridiculous.

Anyway that's what we concluded from our research.

Happy walking to you, too.

GETTING PAGED AT AN airport is comparable to receiving a telegram.

It has been our observance that few people expect to get cheerful messages in either manner.

We concede, of course, that it is not necessary that a telephone call to a person about to board a plane or a wire to someone have to be sad tidings.

But we think most people pick up the airport phone after being paged or tear open a telegram with some trepidation.

They sort of expect the worst.

That must have been the way Mayor Bill Podgorsek (he was mayor then) felt when he went to the phone at the SF airport last week, just after he had checked his baggage through for a flight to Duluth, Minn.

Bill's dad had been ill for

Only 12.7% of the registered voters in the Campbell Union (elementary) School District went to the polls on Tuesday, April 17, when Gordon Abbott, George Baker and Jennie Vaughn were elected trustees, topping the field of nine candidates for the three positions that were open.

There were no incumbents in the race. The elected trustees will take office July 1.

In the Campbell Union High School trustee election, Dorothy Goble and Vern Rutlen, incumbents, were reelected and Ray A. Silva was named to the other position that was open.

Baker, who was 151 votes behind Abbott had a 464 margin over Jennie Vaughn, who was in third place. Mrs. Vaughn was 327 votes ahead of Maria Flaherty in fourth place.

The absentee ballots, which were counted first, gave an indication of how the election was to go with Abbott picking up 102, Baker, 98, Vaughn, 97, and Flaherty, 71 of the absentees.

The total vote breakdown: Abbott, 2243; Baker, 2092; Vaughn, 1628; Flaherty, 1301; Carl E. Samuelson, 995; Robert G. Fricke, 982; Margaret M. Ota, 896; Elizabeth Rodriguez, 639; J. W. Pattee, 379.

Abbott carried 15 of the 28 precincts and tied with Baker in one (Rosemary) where each got 93 votes.

Baker was on top in eight precincts and Jennie Vaughn in four.

Postal Week starts on April 30

Campbell post office will participate with the observance of Postal Week (April 29-May 5) with special ceremonies beginning with the flag-raising at 8:30 a.m. on Monday, April 30.

According to Glen Knowles, officer-in-charge, as part of the observance, the Campbell post office will join with the nation's 31,000 other post offices in the issuance of 10 special stamps honoring postal employees.

The objective of the special week, according to Postmaster General E. T. Klassen, is to recognize the vital responsibilities assigned to the mail service and to take stock of the challenges which must be jointly met by postal people and the millions of American citizens who depend upon the mail as an essential part of their personal and business lives.

GUEST SPEAKER---Edmund G. Brown, Jr., California's secretary of state, will be the guest speaker at the sixth annual Distinguished Service Award banquet sponsored by the Campbell JayCees. The banquet, which will be held at Zorba's on Friday, May 18, will honor the outstanding young man of the year for Campbell.

Master of ceremonies for the second year will be Fred LaCosse, Channel 11 news director.

Tickets for the annual banquet may be obtained by sending reservations to: JayCee Banquet, P. O. Box 931, Campbell. Tickets sell for $7.50 per person. Deadline for reservations is May 15.

Previous DSA winners have been: Bob Dalzell, 1967; Dale Scott, 1968; Carl Kuhn, 1969; Jack Christian, 1970; Len Edholm, 1971.

Residents get free trash pickup Friday

Residents within the city limits of Campbell will get a free rubbish and trash pickup service this Friday, April 27, by the Green Valley Disposal Company.

Under the franchise agreement with the city, the disposal firm offers two such pickup services each year, one in the fall and one in the spring.

All debris to be picked up must be placed on the curb in front of the residences before 7 a.m. on Friday.

The debris must be placed in boxes or containers light enough for one man to carry. Trimmings must be bundled in four-foot lengths. No items such as furniture, appliances, boxes of dirt or rocks will be picked up. Trash or garbage containers that are to be removed should be so designated.

E. CAMPBELL AVE.

Traffic pro says "do nothing"

Campbell city councilmen served notice on Monday night that they would not be content to "do nothing" as recommended by the traffic consultant in the East Campbell Avenue traffic study report submitted to the City Council.

Staff was directed to submit "diversionary plans" for the alleviation of traffic problems on East Campbell Avenue between Bascom and Leigh for the meeting on Tuesday, May 8. Staff was also directed to notify the proper county authorities that "diversion" steps were being contemplated.

HEARING, MAY 8

The direction to staff was contained in an amendment by Vice-Mayor Norm Paul to the motion setting up an informal hearing on the traffic study report for Tuesday, May 8. Councilman Ralph Doetsch opposed the amendment but voted for the amended motion calling for the hearing.

The "do nothing" recommendation was contained in the 23-page traffic study report submitted by Russell C. Pearson, who was hired last November by the city and the county. Campbell and the county shared equally in the $5000 fee.

Conclusions drawn from a three-day roadside interview/ origin and destination survey patterned the report.

TRAFFIC SURVEY

The interviews established that the PruneYard was the greatest attraction for people using the street and also indicated that when traffic was diverted from East Campbell Avenue, traffic increased by a great extent on the neighboring streets.

Pearson was employed last November shortly after the City of Campbell public works department, charged by the City Council to develop some method to cut down the traffic on East Campbell, had suggested a blockade at Midway diverting through traffic on other streets.

Residents of these other streets, located mostly in unincorporated (county) territory, vigorously opposed the blockade. County officials also protested.

The plan was abandoned and four-way stop signs were installed at Midway. These proved ineffective and were subsequently removed.

HIRE CONSULTANT

Pearson was then employed to study the situation and, hopefully, come up with a solution.

The councilmen on Monday indicated disappointment in the "do nothing" recommendation that was made by the traffic expert.

Although Pearson had recommended that the city "do nothing" and that no action be taken to close or divert traffic, the traffic expert did suggest that "diversion" was possible through traffic signals installed at Campbell and Leigh and green signal time could be minimized at Bascom

Apply now

Citizens of Campbell interested in serving on the Planning Commission are invited to file their application immediately with City Clerk Dorothy Trevethan at the city hall. Appointment will be made by the City Council from the list of applicants.

A vacancy will exist on the Commission after May 30, 1973, when the resignation of Carl W. Larson becomes effective.

Larson, 1525 Hacienda Ave., who is being transferred by Pacific Telephone to Olympia, Washington, submitted his resignation to the City Council on Monday.

GAVEL EXCHANGE---On Monday, Dean Chamberlin (right) became the mayor of Campbell succeeding Bill Podgorsek, who served as mayor during the past year. The gavel exchange took place at the City Council meeting.

The current Council policy is to rotate the office of mayor annually with the vice-mayor being "promoted" each April. Mayor Chamberlin, who was elected to the City Council for the first time in 1968 and reelected in 1972, previously served as mayor in 1970-71.

Named as vice-mayor on Monday night was Norm Paul, who was elected to the City Council in 1972.

CITY COUNCIL LEARNS

Campbell to get senior citizen housing units

Plans for a housing project for senior citizens to be located on a five-acre parcel on South Bascom Avenue just south of Shelley Avenue were unveiled at the City Council meeting Monday night by John C. Burns, executive director of the Santa Clara Housing Authority.

According to Burns, it will be a "turnkey lease project" and will consist of 82 units in four two-story buildings plus a main structure. The apartments will be all one-bedroom units.

Burns explained that "turnkey" means that the developer will produce housing with conventional financing. The property stays on the tax rolls but the housing authority leases the units for 20 years.

He added also that rent for the apartments is based on 25% of the renter's total income.

In a related matter, the City Council by a 3-2 vote directed staff to investigate the actions taken by Mountain View on the concept of licensing apartments. A county plan, explained by Councilman Rusty Hammer, would license the apartments at a rate of $1 per year and, in turn, use the funds collected to police the units as to racial discrimination.

The motion also directed that the matter be placed on a future agenda. Mayor Dean Chamberlin and Councilman Ralph Doetsch opposed the motion.

In other actions on Monday, the City Council held a public hearing for protests on the new weed abatement ordinance that was recently adopted.

Editorial

What to do about it?

Despite the predictions and opinions of the so-called "professionals" before the voting takes place, as long as people mark their ballots in the privacy of the voting booth, there is no such thing as pre-determined election results.

That, of course, was the case in the school trustee election on Tuesday, April 17.

However, one result was pretty much pre-determined, despite our editorial pleading in the weeks before the election.

We refer to the percentage of registered voters casting ballots especially in the Campbell Union (elementary) School District.

Editorially, prior to the election, we called attention to the importance of the election. There were no incumbents running for reelection in the Campbell district and the three people who would be elected thus would constitute a majority on the board.

We also emphasized in our editorials that decisions made by the governing boards of the school districts have more direct effect taxwise and in other ways on the average citizen than those made by any other legislative body.

We also called attention to the point that more than 60% of the property tax dollar was earmarked for schools.

But to no avail.

The vote turnout in the Campbell Union (elementary) School District was only 12.7%!.

We think that is disgraceful.

Our editorials had no effect but we hold no brief for the eloquency or lack of it of our editorials.

From experience we have become more or less resigned to the apathetic attitude of the voters in any school election.

When one stops and analyzes the situation in this last election, the conclusion is frightening.

It means that 87% of the registered voters did NOT vote.

That could mean, of course, that only 7% of the voters could control the district educational picture. (That is, 51% of the 13% who bothered to vote.)

It is clear that the two top vote-getters in the election, Gordon Abbott (2243) and George Baker (2092) clearly dominated the field. Conceivably, they would have held their margin of victory, if there had been a 90% turnout rather than 12%.

But that is merely conjecture.

And a 13% vote is NOT the proper way to receive a mandate from the citizens.

After all these years of editorially ranting and raving on the subject of the poor turnout of voters in the school elections to no avail, we probably should be content to forget about it and learn to live with it.

But it has always bothered us and will continue to do so.

We hold that, especially in the Campbell Union (elementary) School District, which has been torn by dissention for more than two years, the people in the district should have shown their concern at the polls in a more emphatic manner than by a measly 13% vote.

But, as we said earlier in this editorial, the only thing that really was predictable before the voting on Tuesday, April 17, was that there would be the usual light vote.

But even those of us who were the most cynical were hopeful that at least 20% (which would be bad enough) would go to the polls. That only 13% bothered to vote is something that should concern us all and not just the editorial writers.

That Abbott and Baker were so far ahead in the voting (Jennie Vaughn, the other winning candidate was 464 votes behind Baker), and it was possible that they would have continued to hold the lead no matter what the turnout was, really has no bearing on the situation.

Some people, disturbed by this apathetic attitude of the voters in school elections, have suggested that the same penalty should be levied against these non-voters as is the case in the primary and general elections.

If a voter does not exercise his voting privilege in those so-called major elections, he is "purged" from the register and must re-register before the next election.

Ironically, as we have pointed out, the ballot of the voter in local elections, (i.e., schools, city, etc.,) has more of an impact than in a state or national election and, by the same token, actions by the governing bodies in the lower legislative echelons have the most direct effect on the average citizen.

We also suggest that, in the future, critics of any school or city administration, before expounding, should first be required to stipulate that they voted in the local elections.

MORE ABOUT

some time and Bill was on his way to visit him.

Fortunately, contact was made before Bill was airborne but his baggage was on its way to the waiting plane.

The call reported that Bill's dad had died.

It meant a change in flight plans for the Podgorseks, with Arlene, who had taken Bill to the airport but had not planned to go, joining him on the trip to Duluth.

Arlene was still at the airport when the sad message was received from Duluth.

She was naturally anxious to get home to make arrangements to leave for Duluth.

But it took 50 minutes to get Bill's baggage untracked.

-0-

JUST A YEAR AGO, some of you might recall, Bill's dad, Frank Podgorsek, who passed away in Duluth at the age of 78, was a visitor to Campbell.

He was part of the "cheering section," comprising 32 relatives of Bill Podgorsek, on hand at the City Council meeting when Bill was inaugurated mayor of Campbell.

Bill's dad was a proud observer at the ceremony. We recall afterwards that he even tried out the mayor's chair on the rostrum for size.

We remember that in our conversation with him he (1) expressed confidence in Bill's ability and (2) suggested that Campbell would have a good year under his son's administration.

Mr. Podgorsek was right on both counts.

Bill proved to be a hard-working mayor, one who did his homework well and who was an excellent emissary for the city in "outside" contacts.

Bill's ability in that particular field was recognized by his fellow mayors of cities in the county, for Podgorsek was elected to head the mayor's committee of the Inter-City Council composed of the mayors of the 16 cities.

We think Podgorsek did an outstanding job as mayor of Campbell during the past year.

We have learned not to rate any one mayor of Campbell on a comparative scale with others.

After all, it is a matter of opinion.

And you don't think we will ever assert in this sheet that a Campbell mayor has done a lousy job?

After all, under Council policy, there is a new mayor every year.

And we think all of 'em try to do a good job.

Some maybe try harder.

-0-

WHEN DEAN CHAMBERLIN took over the office of mayor on Monday of this week, it marked the second time since Dean has been councilman that he has wielded the gavel from the mayor's chair.

He served as mayor first in 1970-71.

Projecting this policy into the future, Podgorsek then should be mayor again in 1977-78.

Of course, there are a couple of variables involved in such a projection.

It is predicated on the fact that Podgorsek will run and be elected for his second term as councilman in 1974.

That sounds like a pretty good deal.

-0-

CAMPBELL'S FIRST lady (for the second time) is Veva Chamberlin, one of our favorite people.

We were chuckling with Veva recently about the TV commercial that advertises a paper towel (Viva) which is pronounced the same as her name.

We told Veva that every time we heard Viva, the towel, mentioned on TV, we thought of her.

She added that it also could be a little disconcerting.

She recalled that one time she had dozed off with the television going full blast.

She awakened with a start because she heard her name called.

She bounced up and looked around. She was alone in the house.

Then she heard VIVA again.

It was the TV.

Viva la Veva.

CONGRATULATIONS—City Clerk Dorothy Trevethan congratulates Councilman Norm Paul on being elected vice-mayor at the annual organization meeting of the City Council Monday night. The office of mayor is rotated annually. Dean Chamberlin, who served as vice-mayor last year, when Bill Podgorsek was wielding the mayor's gavel, was "promoted" to mayor Monday. Mayor Chamberlin served as mayor previously in 1970-71.

District schools seek help in setting goals

Rolling Hills School, along with all schools in the Campbell Union (elementary) School District, is in the process of establishing local school goals, according to district officials.

To accomplish this, they are appealing for the assistance and ideas of all members of the community, and are especially interested in involving many non-parents or community parents whose children are not currently attending Rolling Hills School.

To accomplish the goal development task, they have developed a steering committee made up of parents, educators, students and community members. This committee has developed a plan for the school community to use. It will involve two sessions of about three hours each.

The first session on Wednesday, May 2, will center on the subject "What are the things that are keeping our schools from doing the job it should for the students?"

The second session is May 9, and will discuss "What should our school be doing for our students?", and "When students graduate from Rolling Hills (1) What knowledge should they have? and (2) What skills should they have?, and (3) What kind of attitudes should they have?"

From the information received from these group meetings the steering committee will then transfer these desires to goal statements and put them in a priority order. This information will then be used to determine direction for the school in future programs and priority of energies.

On May 30, the Rolling Hills steering committee will present the final report in an open meeting at Rolling Hills School. The findings will then be forwarded to the School District Goals Committee and to the Board of Trustees for inclusion in district-wide goal statements.

According to Bob Turk, Rolling Hills principal, there is a need for from 100 to 250 people in order to make the process work. Those interested and who live in that school area, should call the school at 378-1461 or 378-3405 (district office).

Terry Ellis, administrative aid in the Fire Department, explained that under the new program, the city can now take care of the abatement of weeds and then charge the property owners via the tax rolls.

By a 3-2 vote, the City Council continued action on the appeal of Gold Seal Realty from a Planning Commission denial of a use permit for the firm to convert a residence at 492 Nottingham Way into an office.

The Planning Commission was directed to submit possible variances that would allow the conversion. Action on the use permit appeal will be taken after the variances have been submitted. Former Councilman Bill Smeed, an attorney, represented the realty firm.

Despite the protest of Lowell Grattan, the City Council approved the zone change from R-2-S to R-M-S between Latimer Ave. and Gale Drive. Art Kee, planning director, maintained the R-M zoning was in line with the general plan calling for low and medium density for the area.

LEGISLATION

The City Council unanimously agreed to support the city of Long Beach in seeking federal aid for urban public transportation. The Council also endorsed the proposal of Assemblyman Julian C. Dixon which would require a refund on soft drink and beer containers as a means to reduce the use of throw-away bottles.

The Council also accepted the invitation of Lt. Governor Ed Reinecke to have representation at the governor's council on intergovernmental relations on May 11 in San Jose. The local representatives at the council will emphasize the current inadequacy of legislation for the annexation of island areas.

It was also suggested that diversion plans should be prepared for other streets in the area as well as Campbell Ave.

In making his motion to direct staff to come up with diversion suggestions, Vice-Mayor Paul pointed out that Pearson had submitted three basic alternatives: (1) Do nothing; (2) Divert traffic from East Campbell Avenue; and (3) Widen East Campbell Ave.

Paul emphasized that the city obviously would not be satisfied in doing nothing about the situation and that widening the street was out.

That meant, he submitted, that the city should take steps to divert traffic, according to the report, and that was his motion.

Letters to the Editor

"INTERACTION GROUPS"

Editor:

Students engaged in independent study programs at a Campbell Union High School District School were recently assembled for the purpose of urging them to become participants in what was termed "Interaction Groups."

"Interaction Groups," they were told would enable them to "understand others more clearly, see and evaluate themselves more clearly, give them a place to express themselves and their 'true feelings' with more security," etc. All this would be accomplished by free-wheeling discussions where they would reveal their innermost thoughts and feelings in a small group atmosphere. This is Sensitivity Training by anybody's definition!

The objective of Sensitivity Training is to get everyone to participate resulting in the participant becoming involved in disorienting his own intellect, destroying his individuality, dulling his capacity for self-discipline and privacy.

Much to the credit of the students, they did not respond to the urging of school personnel to volunteer to become part of the Interaction Groups. Although this was presented as a voluntary activity this time around, how long will it remain so?

This "process" is a way of life in Red China and is known as self and group criticism. Its purpose in Red China is to manipulate into the "correct" line of thinking and for data collecting on individuals.

Very truly yours,

Residents in the Campbell High School District, Campbell, Cambrian, Union, and Moreland elementary districts can register for swimming instruction classes at the school they plan to attend on these dates: June 2, 9 and 16 from 10 a.m. to 3 p.m. There will be five two-week sessions of swimming lessons starting at these times: June 18, July 2, July 16, July 30 and August 13. The 30-minute class sessions are operated from 9:50 a.m. to 12:25 p.m. daily, Monday through Friday.

Special swim classes in Red Cross junior and senior lifesaving, beginning and advanced diving, adult swimming lessons, synchronized swimming, swimming for the handicapped, and mother-tot swimming will also be offered.

Fees for swim lessons will be $4.00 per session including recreational swimming and $3.25 without and $5.00 for special swimming classes. A $25.00 family card entitles all members of a family to use all district pools throughout the summer season.

In addition to swimming there will be physical fitness, weight lifting, and gymnastic programs at all school gymnasiums for students and adults and competitive basketball and track events. Teen Centers will also be operated at all schools several nights a week.

"DOLLY" FUN — Shirley Dorsa, left, understudy to star Janis Paige, David Peter Heth and Gloria Stockton, pose for a scene from "Hello Dolly" which will be presented by the San Jose Music Theatre beginning May 4. Mrs. Dorsa, a resident of 1360 Castlemont, is making her debut with the musical.

Shirley Dorsa understudies star

When movie and stage star Janis Paige opens in the title role of "Hello Dolly" for the San Jose Music Theatre on Friday, May 4, a local resident will be able to take much credit for the workings of the show.

Shirley Dorsa, wife of well-known musician J. Paul Dorsa and a member of the "New Day" group, has been understudying the busy star during rehearsals of the delightful musical comedy, which will be performed only eight times.

The appearance of Miss Paige as "Dolly" will be her first in the role of the spirited, life-loving Mrs. Levi, who by her own admonition, "meddles."

Beginning her career as a movie star, Miss Paige later moved to Broadway for starring roles in many hits, including "Pajama Game" and "Mame."

San Jose Music Theatre's resident director, George Costa, is acting as both producer and director for this production, which closes the season's series of musical comedies.

Three young Campbell dancers are also performing in the show. Valerie Chance, Campbell High School graduate who will choreograph "Guys and Dolls" for the high school this summer; Jerry Evans, a West Valley College student making his debut with Music Theatre and Patty Boyd, Westmont High School student who has performed in two SJMT shows previously.

Also in the show is Ed Moats, frequent participant in community theater.

In addition to the opening performances, the show will be repeated May 5, 6, 9, 10, 11, 12 and 13.

Sets for the production will be pressed into use two additional times, when San Jose Music Theatre Children will present an edited version of the show using the sets and technical facilities of the adult show on two Saturday afternoons, May 5 and 12 at 2:30 p.m.

Directed by Lila Lloyd, the young people's show will be performed with Michele Freiberg in the title roles; Campbell girls participating include Elizabeth Skemp and Mary Ann Lyons.

For ticket information for both shows, call the box office, 286-6841.

YOUTH COUNCIL

by Teri Wheeler

The Sunday before last, April 15, St. Lucy's Youth Council had a Pancake Breakfast that turned out fairly well.

The dishwashers, wipers, cooks and servers were kept busy while 165 people ate pancakes and sausages after they left the Mass.

The children and adults were divided pretty evenly, there being 76 and 89, respectively.

All in all, a profit of $84.85 gave the day a happy ending. Maybe the baseball game after helped a little, too.

Role of church women told

West Santa Clara Valley Church Women United will celebrate May Fellowship Day on May 4 in the Fellowship Hall of the First United Methodist Church, 1675 Winchester Blvd., Campbell, from 11 a.m. to 1 p.m. Theme for the day is "As Hand Touches Hand."

About 15 churches are expected to participate in the meeting which will feature a play with skits depicting some of the work women are doing in the church and community. The program closes with a worship service.

Those attending are invited to bring a sack lunch. A dessert will be provided by each church.

VAL League makes senior gift

A group of 30 active ladies who make up a club called the VAL League (Valley Altruistic Ladies) made members of the West Valley Progressive Seniors very happy recently when they presented them with a check for $1,500.

SENIORS BENEFIT—Blanch Wolfe of the West Valley Progressive Seniors receives a $1,500 check from Mrs. Cole Reed, community service chairman for the VAL League and Mrs. Frank Clough, League president.

The check was presented to Mrs. Blanch Wolfe of the Senior Center by Mrs. Frank Clough, president of the VAL League, and Mrs. Cole Reed, community service chairman for the group.

Senior Director Irma Reese said the money would go into the general fund and will be used for expenses to keep the center open including rent, utilities, insurance and office supplies.

LEAGUE ACTIVITIES

The VAL League was formed in September 1958 to help better the community and aid in enriching local groups in need.

Their major fund raising project is a melodrama, complete with old-time California gold rush barroom atmosphere at which the public is invited to cheer the hero and boo the villain. The league members, with aid from their husbands, make up the cast of can-can girls, dance hall hostesses, mustached bartenders and temperance ladies. A Dixieland band and rinky-tink piano add to the fun.

This season's 15th annual melodrama entitled "Lure of the Goldsluice" or "In the Web of a Gambler" was held at Alpine Hall in San Jose on March 2 and 3.

LOCAL CHARITIES BENEFIT

Over the years the proceeds of close to $19,000 have benefited such local groups as the Childrens' Hospital and Health Center, Elmwood Home for Aged Men, Happy Hollow Temple of Song, Good Samaritan Hospital, Alexian Brothers Hospital, Crippled Childrens' Society, Enchanted Hills (camperships for the blind), Woman's Recovery Center, Cerebral Palsy Nurseries, Mental Health Association, Parents of the Visually Handicapped, Friends of the Severely Retarded, Zonta School for the Emotionally Disturbed Children and The United American Indians.

AUCTION

A silent auction is also held by the group in December for the benefit of a needy family or small community charity.

The league meets monthly at the homes of club members and on Monday, June 4, will install new officers.

Outgoing officers are Mrs. Frank Clough, president; Mrs. Richard MacQuiddy, vice-president; Mrs. Howard Burkhart, recording secretary; Mrs. Wavel McLennan, corresponding secretary and Mrs. Paul Morgan, treasurer.

MELODRAMA MEMBERS—Major fund raising project of the VAL League is a melodrama put on annually by members of the club. Cast members Mrs. Wavel McLennan, Mrs. Howard Burkhart, Mrs. Clem Everett, Mrs. Cole Reed and Mrs. Leonard Widen take a break during rehearsals for this year's production which netted $1500 for the League's charitable project for 1973, West Valley Progressive Seniors.

The musical play, adapted from the novel by Johanna Spyri, was written by Neil Simon and William Friedberg and presented on national television in 1955. The music, by Clay Warnick, is based upon the themes of Robert Schumann. The lyrics are by Carolyn Leigh.

Directing the C.A.S.T. production is Phyllis Bolen Hofer. Accompanying the performances will be the Campbell Civic Youth Orchestra with James Dyer at the baton. Sally Frazier is choreographer and Robert Steiner is assisting with the vocal direction.

A new policy adopted by the C.A.S.T. board of directors is to hold one family show a year where parents of the cast may audition for adult lead roles. Parents in lead roles are Edie Spiers as Fraulein Rottenmeir, Rick Cesena as Herr Sesseman, Janet Cesena as Aunt Dete, Gloria Knapstad as the teacher and Tom Anderson as the Pastor.

Portraying the part of the Grandfather is guest performer Crawford Anderson. Anderson has been active in local theater and also was in civic theater while living in Buffalo, New York. He was a soloist at the St. Paul's Cathedral in New York and was also co-founder of a Gilbert and Sullivan troup.

Chorus members are Calvin Bettencourt, Michelle Miner, Doug Dewar, Karen Hansen, Kelly Jo Eugenius, Diana Ritchie, Scott Freear, Ilaan Egeland, Ann Hofer, John Hofer, Evelyn Skoff, Kari Knapstad, Cathy Zimmer, Laura Cesena, Lisa Cesena, Valarie King, Carrie Johnston, Julie Green, Frank Bauer and Lisa Christopher.

With more than 20 theater groups in the area, there always seems to be something happening. This column will help you know about what theatrical events are playing... Last weekend for ART's (Actors Repertory Theatre) "Homecoming." From all reports, I understand that it is a must see for all acting buffs... "Dames at Sea," a musical spoof of the '30's musicals with Ruby Keeler and Dick Powell opens this weekend at Old Town, produced by the Center Players. Madeleine Hurley and Steve Reynolds essay the Keeler-Powell roles. This play is the '30's version of "The Boyfriend."...."Fiddler on the Roof" has been announced as the fall offering for the Saratoga Drama Group. Auditions will be in early June. Call Mrs. Don Loughridge, producer of the show, at 867-0281 for more info...

Janis Paige arrives in town on Friday to rehearse for Music Theatre's "Hello Dolly." The hit musical opens Friday, May 4, in the Montgomery Theater. Rumors say that Steve Merrit's choreography is super smashing. . . . A cut version of the show will be presented on Saturday, May 5. Directed by Lila Lloyd, the cast is composed of youngsters from eight to 14. The tab version will also be repeated on Saturday, May 12. For ticket information, call 286-6841....

"Brigadoon" runs May 10, 11 and 12 at Campbell High School. The show is triple cast which sometimes can be a triple burden on director John Hall. The Campbell High shows are always top notch and need to be supported by the community.

"Heidi" is the Campbell Civic Actors Seminar Theater (children's theater) offering at Camden High Friday and Saturday at 8:15 and Saturday afternoon at 1:15.

Gaslighters should enjoy the new 'mellerdrama', "The Parson's Dilemma", or "Wedded But No Wife" at the Gaslighter Theater, 400 E. Campbell, presented each Friday and Saturday nights through July.

King Dodo Playhouse, 12378 Sunnyvale-Saratoga Road, is currently presenting ing "The Marriage-Go-Round" Saturday nights.

Best weekend fare; "Homecoming" for the adult... "Dames at Sea" for family fare.

GRADUATION — Supervisor Ralph Mehrkens and Campbell Fire Chief Gene Borden award Denise Randall her diploma at the graduation ceremonies for the tenth Baby Sitters Seminar sponsored by the Campbell Fire Department. The graduation took place at Kennelly Hall at St. Lucy's Church.

500th student graduates from ten week baby-sitter's seminar

Over 500 area young people are better qualified baby-sitters thanks to the Campbell Fire Department and their semi-annual baby-sitting seminars which have been conducted for the last five years.

The 500th student was graduated last Wednesday from the tenth seminar, in which some 40 students were enrolled. The graduation ceremony took place in Kennelly Hall at St. Lucy's Church.

Among speakers at the event were Ralph Mehrkens of the Board of Supervisors, Dean Chamberlin, vice-mayor, Gene Borden, Campbell Fire Chief and Jack Christian, director of the program.

The class, which began ten weeks ago, featured instruction from several local people including Dr. Robert Griffith pediatrician, Mrs. Ann Baker, a registered nurse, Chief Borden, Fireman Mike Johnson, Sgt. Frank Furtaw of the Campbell Pölcie Department, Mrs. Janet Brawn of the home economics department of the Campbell Union High School District, several students from the San Jose State recreation department, and Mrs. Pam Fitzgerald and her seven-month-old son Ryan.

Subjects covered included symptoms and care of ill infants, first aid, including mouth-to-mouth resuscitation, fire drills and home fire escape procedures, how to handle law enforcement problems that may confront the baby-sitter, kitchen safety and food preparation activities for preschool children and bathing and feeding of a baby.

Final test of the seminar, for the first time, featured judging of the students under actual baby-sitting conditions. Twenty young children ages s
two to six were on hand to assist in this last phase of the program.

The seminars have sparked national interest and a 70-page guide to their formation entitled "Babysitters Seminar: Outline and Lesson Plans" has been distributed to fire departments and civic groups nationwide and to military bases overseas. The book was written by the various instructors of the classes and compiled by the Campbell Fire Department.

The next seminar in Campbell is planned for September.

Students named to honor roll

Twelve Campbell area students are among those listed on the San Jose Christian School's honor roll for the third quarter semester.

Honorable mention, for a grade average of B or better, went to seniors, Virginia Jamieson, Tom Larson and Gaye Patapoff. Karen Jamieson took honors for the 11th grade while ninth grade students Merri Patapoff, Ray Plopper, David Vander Veen and Roger Vander Veen were listed.

Cindy Simmons and John Vanderwerf are honor students for the eighth grade level while Louanne Gritter and Anne Plopper took seventh grade honors.

Students serve as registrars

Combining their class activities with community service, students in social studies classes in Campbell Union High School District schools will register new voters April 23 to May 4.

Before the general elections last year when 18-year-olds were voting for the first time, students from Comparative Government classes volunteered to train as deputy registrars and sign up the new voters.

The project was so successful, students asked to continue the effort this spring to register those students coming of voting age and any others in the community who were not registered to vote.

Approximately 50 volunteers were instructed by officials from the county registrar of voters' office in a district workshop April 11. They will be on hand at all schools before and after school and during lunch hours. Secretaries in each school office have also been trained as deputy registrars and can assist anyone in the community who wants to register.

Opening day festivities set by Campbell-Moreland Bobby Sox

Girls from all 20 teams in the Moreland-Campbell Bobby Sox league will take part in Opening Day activities at the Castro School field this Sunday, April 29, beginning at 1 p.m.

A round-robin game is planned involving all the teams in continuous play throughout the afternoon.

Steve Barnett, bronze medal winner for the U.S. Olympic Water Polo Team, will attend the opening program, along with school and city dignitaries. A bake sale is planned by the minor league teams that afternoon and the newly redecorated Bobby Sox snack bar will be opened.

BACKGROUND

Bobby Sox softball is something new in the field of youth recreation for girls, 9 through 15.

Bobby Sox Softball, National Headquarters actually came into being in the fall of 1962 in the City of Buena Park, Calif. In 1966, three areas joined together to form one league. Now, along with the Moreland-Campbell Bobby Sox, there are approximately 15 to 20 leagues in Northern California.

ORGANIZATION

Since its inception, Bobby Sox Softball has enjoyed a steady increase in demand throughout the country. Every girl that registers has an active part on the team she is placed. There is no team building, trading of players is not allowed, and a draw method of assigning players to teams is used to evenly distribute all age brackets. The division of players is accomplished by having the 9-10-11 year old girls on Minor teams, and girls 12-13-14-15 years of age on Major Teams, both under the control and direction of the Board of the Local League.

Officers of the Moreland-Campbell Board for 1973 are President, Carol Casteel; Vice-President, Don Wedel; Secretary, Estelle Casey; Player-Agent, G. Silva; Umpire in Chief, Derry Kirschman; Treasurer, Verda Nutter; Safety Co-Ordinator, Dick Des Parois; Finance Chairman, Chris Millich; Field Commissioner, Bill Blockie; Publicity, Virginia Kirschman; Equipment, Pat Drengacz; Snack Shack, Erma Malson. Other Chairmen are Bev Kephart, Mimi Loupe, Marge Alias and Joan Blandford.

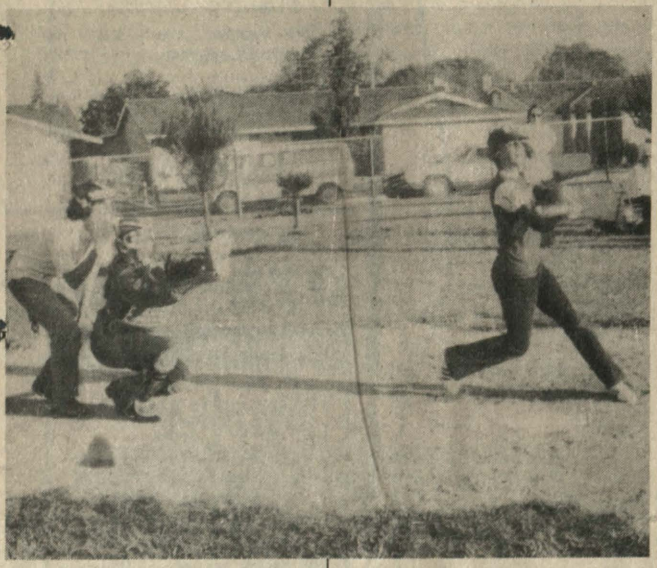
THIS YEAR

There are 20 teams this year with 15 girls on a team. The girls play at Castro School Field, Monday through Friday. Season is from April 30 to July 3, with playoffs during the week of July 11.

At the end of the season, an All-Star Team is chosen by the managers and three Board members. This team competes in Area and District Tournaments and if they're lucky enough to win, goes to Buena Park for the State Tournament.

This year, the teams are sponsored by: The Pro Shop, Straw Hat Pizza, Key Chevrolet, Armstrong Carpets and Draperies, California Canadian Bank, The Instep-Adidas, C.T. Marotta Construction, Renzo's Bistro, Andy's Family Market, Sambo's, The Fly Trap, J.J.R. Shoes, Liles Excavating Co., S.C. Co. Employees Credit Union, Smythe Buick, Doctor John Krvavica, Pace Optical, Campbell Press, and Anderson-Behel-Porsche/Audi.

Boosters are: State Farm-Obe French, Winchester Paint and Wallpaper, Allied Electric Co., Campbell Rotary Club, J & E Bowling and Trophy Supply, Doctor Robert King, and Animal Medical Center.



IT'S A HIT — A member of the Red Sox gets a hit at a practice game Monday night as they took on the Astros. Campbell-Moreland Bobby Sox league play gets under way this Sunday, April 29.

The Vikings just about splashed everyone out of the pool last week when they roared to the 1973 Camino Norte Conference crown, beating second place DeAnza by a mere 99 points.

Viking swimmers tossed their championship coaches into the pool at Contra Costa after repeating as the league's best. And only two members of the title team are sophomores.

Tom Riley (Prospect), Bill Albertson (Los Gatos), Todd Hancock (Camden) and Mark Gerbracht (Prospect) were all individual winners for WVC in their title showing.

BASEBALL

WVC last week ended up in the runner-up spot in the annual Jaguar-Viking Easter baseball tournament. Chabot pulled in with first place.

West Valley lost the first game of the tourney to Chabot but pulled back up through the ranks to beat three other teams and win the right to play for the title. But once again it was Chabot and once again the Gladiators taught the Vikes a lesson.

West Valley visits Santa Rosa Tuesday for a 3 p.m. game before returning home Thursday to meet second place Marin at 3 p.m. at Central Park in Santa Clara.

Saturday the Vikes renew their rivalry with DeAnza when they visit the Dons at their Cupertino home at 1 p.m.

West Valley leads the CNC with an 11-3 record. Marin sits two games back in second with their 8-4 ledger and Contra Costa is two and a half back at 8-5.

TRACK

No team score was kept last week when San Jose, West Valley, American River and Fresno met in track action but that didn't make the competition any easier.

The Vikes will visit Stanford Wednesday for a tri-meet with the Cardinals and Foothill in non-league action and Saturday they're off to Oakland for the northern California relays.

In the four way meet last weekend, the Vikings nailed first place efforts in five different events and notched six other place winning performances.

John Triplett (Branham) led the Viking effort on the day with a pair of first places. Triplett won the triple jump with a 47' 11¾" leap and the long jump with a 22' 5¼" try.

Ernie Crumpler streaked to a first place in the 100 at 10.0 and Rick Gonzales (Branham) won the 440 at 50.1. The only other Viking first in the meet came in the mile relay.

Robbie Anderson (Campbell) snatched a third in the 440 for WVC at 51.2 and Mike Haniger (Mitty) was second in the 880 at 1:48.1. Charlie Knezevich (Buchser) nailed a third in the 120 high hurdles and Charlie Brown (Del Mar) was third in the 440 intermediate hurdles.

TENNIS

A strong showing in doubles play lifted the West Valley College Vikings to a 6-3 tennis win over Chabot last week in non-league action.

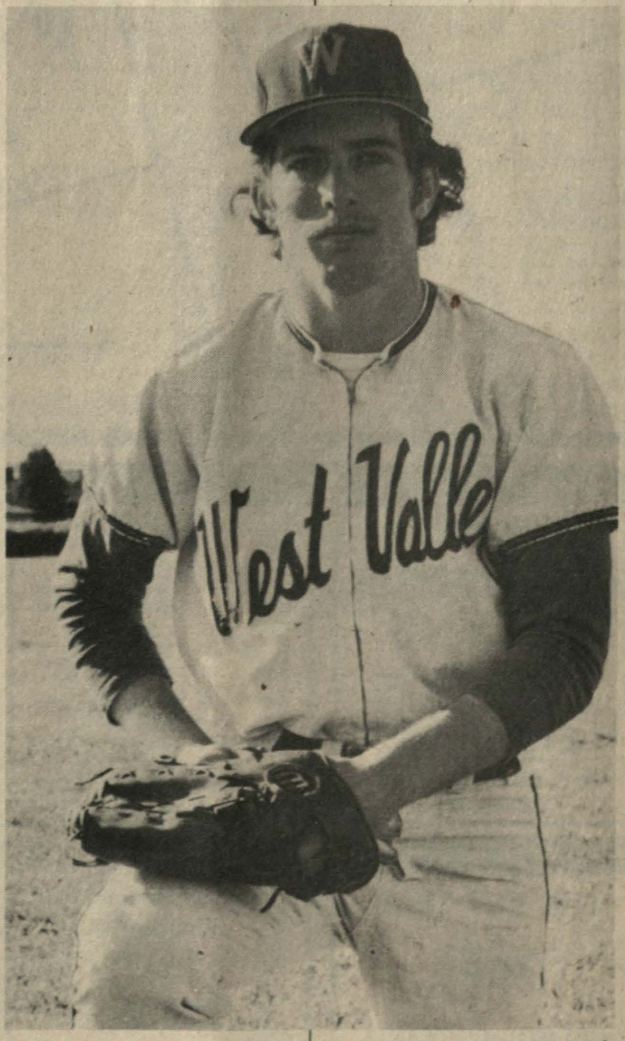
The Vikings split 3-3 in singles play against the Gladiators but things were much different on the doubles level. West Valley teams won in all three doubles matches.

Ken Hamilton (Del Mar) and Jeff Sheets (Camden), teamed for a victory in the number one doubles slot, winning 6-2, 7-6. Dan Horgan (Santa Clara) and Ernie Woods (Westmont) won by default in the third set after splitting in the first two 6-4, 4-6. Charles Sharples and Ken Tew (Leigh) won easily 6-1, 6-0 at number three doubles.

MOM SEES

Mrs. Elizabeth Ballou Garfield was the first mother of a President to witness the inauguration of her son.

COMES THROUGH—Coming through for the West Valley College baseballers in the Jaguar-Viking tournament last week was reserve pitcher Steve Garrido, a grad of Campbell High School. Garrido picked up a win and save on the hill for the Vikes in their second place showing.



BIG BAT — A leading hitter for West Valley College all year, Mitch Vierra (Westmont) outdid himself in the recent Jaguar-Viking tournament. Vierra went nine for 17 in the two day event for a better than .500 average in the five games.

PONY LEAGUE SEASON OPENS--A parade from Campbell and Latimer avenues to the ball field in the city's Rincon Park featured the opening day ceremonies last Saturday of the Campbell - Moreland Pony League.

Taking part in the parade and also in the ceremonies at the ball field was the San Jose State pep band (upper left). In the top right photo Les Baldinger, master of ceremonies, introduces Ernie Broglio, resident of the area and former big league ball player.

Mayor Bill Podgorsek is shown at the mike in the inset and Chuck Cannady, league president. Boy Scout Troop No. 367 participated in the flag-raising ceremony and the color guard, the Model T Campbell fire truck and other entries in the parade are depicted in the other photos. All the city councilmen and City Manager Bob Stephens also were in the parade.

Mayor Podgorsek threw out the first ball that officially opened the season, one of his last official acts before stepping down as mayor. He was succeeded Monday night by Vice-Mayor Dean Chamberlin.

Students to choose their own teachers next year

Students in all Campbell Union High School District schools will have a chance to choose not only their subjects but their teachers and class times when they register for next year.

The college-type registration plan has been given several names in the various schools--Arena, Circus, and at Campbell High, the "Triple S" for Student Self Scheduling. Whatever its name, the plan proved successful in a pilot program at Camden last fall and was thus offered and accepted by all other district schools for next year.

Under the new plan, 8th graders, freshmen, sophomores, and juniors will fill out subject cards for next year during this spring semester. Student course selections are subject to parent approval just as in previous years, counselors point out.

Before the fall registration, students will be mailed packets including their spring subject selections, registration instructions, and the place and time they are to register. A drawing this spring will decide which alphabetical name listings will get first registration times. At fall registration, students choose teachers and class times they want for the subjects selected in the spring.

Seniors register first followed by juniors, sophomores, and freshmen. If a student finds the class he wants is filled, he makes an alternate selection. Registration of all classes can be completed in two days.

When students were polled at Camden following the Arena-type registration there last fall, 93% voted their satisfaction with comments of "very good--the best yet".

One girl summed up the general reaction by saying, "I'm very satisfied with my program. If I weren't, I'd know it was my own fault."

Print shop will open

The Print Shop, first exhibit in the construction of the historic town of Old San Jose (1850 - 1910), will be open to the public on Sunday, April 29 at 2 p.m.

Part of the San Jose Historical Museum, 635 Phelan Ave., San Jose, the town will eventually include; a residence of the 1800's, doctor's office, stables, and plow works.

Final completion is expected in the Spring of 1974.

INSTANT SHADE -- At San Tomas Expressway and Winchester Blvd. in Campbell, a grove of transplanted trees from the County Civic Center are placed in the ground. Three dozen flowering plums, Japanese Privets, Silk Trees and conifers were moved in a week. Trees were given a "shot" of hormones and vitamins, and County officials say past experience shows 95 per cent will survive.

TREE SAVERS -- Contractors crews prepare to remove one of three dozen trees from the grounds of the County Administration Building. The one-story County Public Works offices will be replaced with a 13-story tower, and the trees have been replanted at San Tomas Expressway and Winchester Blvd. in Campbell.

HONORED -- Mac Martinez, chairman of the language arts division at West Valley College and a member of the board of trustees of the Campbell Union High School District, recently was the recipient of a resolution presented by Assemblyman Dick Hayden.

Hayden's resolution commended Martinez on his "extraordinary service and important contribution to his profession, his community, his fellow citizens and, in particular, to his students and youth of the Campbell community.

Martinez, who has been with the college since 1964, and his wife, Ruth, and their four children, reside in Campbell.

District names auditor

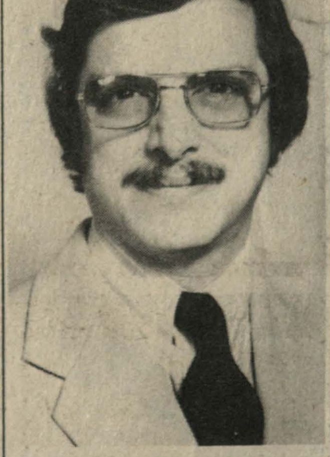
A Palo Alto firm of certified public accountants, Lybrand, Ross Bros. & Montgomery, was awarded the contract to audit the books of the Campbell Union (elementary) School District, at the last board meeting.

The contract for a fee not to exceed $5000 was approved at the last meeting of the trustees upon the recommendation of a selection committee composed of Mrs. Judy Ruscigno, trustee; Jeff Whittaker, Campbell city finance director and Orrin Bachelor, school district business manager.

Peat, Marwick & Mitchell performed the audit last year.

At the same meeting, the board authorized the dedication of a portion of school property fronting on Hamilton Avenue to the City of Campbell for the purpose of widening Hamilton Avenue.

The board also extended the lease agreement with West Valley College from July 1, 1973 to June 30, 1974 for the property that the college has used as a temporary campus since 1964.



WITH TRANSIT DISTRICT--Frank Lara, 43, of Los Gatos, has been appointed transportation marketing officer for the County Transit District by James T. Pott, assistant executive officer for the district.

Lara is an experienced public relations man and is a graduate of New York State University at Syracuse. He and his wife, Judith, live at 115 Craig Way, Los Gatos. She is a teacher at Hamilton School in Campbell.

RECORD SEEKERS---Debbie Havens, director of the Youth Employment Service (YES) sponsored by the Chamber of Commerce, and Jim Bower, Pacific Telephone manager and a director of the CofC, hold the giant poster that will record the success of the YES program this year. They are seeking to break records made in previous years in the placing of students in summer jobs.

Getting away for a day

by Pat Safford

With sunny skies here again thoughts turn to "getting away".

Within a one or two hour drive from the Campbell area we have a variety of vacation and travel spots...many very reasonably priced...some with no cost other than the gasoline to take you there...and the ice cream, soft drinks, etc. along the way.

We learned of a few of these spots from a new publication sent to us recently by Great Escapes Publications. The book, "Great Escapes", (naturally), gives a description of nine such "escapes". We tried a few of these ourselves and would like to share them with you.

COLUMBIA

This small town, two miles east of Highway 49, north of Sonoma, was listed as part of the "Off to the Gold Country" section. We picked this spot to do our exploring and ended up spending the day. There's something for everyone here...If Dad's a camera bug be sure he takes along a few extra rolls of film.

The town is composed of rebuilt historical spots, from the Fandango Hall to the Saloon (open for business). Cars are not allowed in town during the day (to spoil the atmosphere) but there's ample parking nearby.

Take a ride in a stagecoach (a real stagecoach), or sample some sourdough bread at the bake shop. There are enough exhibits to keep the family busy for hours. (Be careful of leaving Mom in a few of the shops too long... There are so many things offered there, you might leave with an empty wallet if you're not careful).

When you get foot-weary, send the kids off to pan for gold while you visit the saloon for an old-fashioned draft beer, or sarsaparilla. (The charge for gold-panning is 75 cents and they give each "panner" the necessary equipment and a handful of sand containing a small amount of the real thing. This is all the gold they're likely to find but it keeps them busy for a good hour or two while you go back to some of the exhibits the family rushed you through earlier).

Cost: Figure on $20 (including gas). There is no admission charge to the park but rides, etc. are extra.

If you wish to spend an extra $3 to $13 you can get a family portrait that looks like it came out of the last century. The photographer has a closet full of 49'er era clothes to outfit the whole family. Dad can dress up as an Army General, Mom in a becoming gown and bonnet and (if you can get him into it) Junior in a young gentleman's outfit. The photo finishes look like an old tintype and would make a real family collector's item. If you're sticking to a strict budget (as we were) you can still enjoy watching the proceedings.

Get an early start in the morning and try to go before the summer months when it gets crowded.
